#### Notes:-

- 1 Reorganisation and basis of presentation
- (a) Reorganisation

The Company was incorporated in the Cayman Islands on 16 March 2000 as an exempted company with limited liability under the Companies Law (Revised) of the Cayman Islands. The Company became the holding company of the Group on 26 August 2000 through a reorganisation (the `Reorganisation').

#### (b) Basis of presentation

The Company and its subsidiaries (the `Group') resulting from the Reorganisaton has been regarded as a continuing group. Accordingly, the consolidated results have been prepared on the basis of merger accounting, under which the Company was the holding company of the Group for both years presented, rather than from 26 August 2000. Furthermore, the results of the Group for the years ended 31 March 2000 and 2001 include the results of the Company and its subsidiaries with effect from 1 April 1999 or since their respective dates of incorporation, whichever is a shorter period. In the opinion of the Directors, the resulting consolidated results give a more meaningful view of the results of the Group as a whole.

All material inter-company transactions and balances are eliminated on consolidation.

### (c) Statement of compliances

The consolidated results have been prepared in accordance with all applicable statements of Standard Accounting Practice and Interpretations issued by the Hong Kong Society of Accountants and accounting principles generally accepted in Hong Kong.

The subsidiary sustained losses since incorporation and the two-year tax exemption period has not been commenced.
